## Other Services

We provide respite, short term care and continuing care for adults with disabilities in local communities.

We will be launching a day care service in our nursing home for people who live in their own home and who wish to enjoy the company of others, have a meal or require assistance with activities of daily living.

Esker Lodge has an open visiting policy. We welcome visitors at any time so please feel free to visit our nursing home, talk to our team and see the services we provide.
